KATHIR MEYYAPPAN

## chapter 1

Once there was an orange that could talk. His brother was an apple. They were planning to go to the fridge when the evil meat came! Meat was so hungry! It had a brother which was an egg and 5 other brothers which were vegetables but the vegetables were eaten!

## chapter 2

It was a good day for Meat, but Apple and Orange were planning to attack Meat's friend by spitting seeds 3 times slower than the speed of light [ 100,000 km per second] and it succeeded! But...Meat heard the news that his other friend told him! A grain of sugar told that a war was going to come in the farm to Apple and Orange. They gathered 5,000 grains of sugar, 300 grains of salt, 2,000 eggs, 2,000 pieces of pasta, 3,000 carrots, 500 tons of crab, and 200 pieces of burgers! But Meat also had an army of 200 of sugar and pasta plus turkey!

## chapter 3

Ohh it was funny alright Meat almost got bit by Apple and Orange and sugar and salt got mixed and tasted plus turkeys got eaten! Meat was gone but his cousin Bread was so so so so so so mad! Then came a fight, not a war but a fight and when Apple was running he didn't crash but a hole came in Bread's belly !!!!! Red mustard came out of his belly, isn't that funny!?

## chapter 4

Then Bread called his friends hotdog, peas, and milk. Apple and Orange called Green bean, Corn, a piece of pasta, and a chicken! It wasn't very pretty when Sugar fell from 2 feet! He split into really really really tiny pieces!!! Then a talking cheese came and said a human run! Bread was eaten...Yahoo! hooray! Everyone cheered! But Meat's other brother Egg came then suddenly a light appeared and another human came and ate Egg!
